CONTINENTAL DIESEL Maintenance Seminar Factory Type Training Course CAT B1 / B2 For TAE 125 Series and CENTURION 3.0 Engines

Background

According to the Operation- and Maintenance Manual all inspections and repairs on CONTINENTAL DIESEL engine have to be carried out by an organisation which is authorised by Continental Aerospace Technologies. The purpose of this seminar is to familiarize inspectors and certifying staff to perform regular maintenance and diagnoses on CONTINENTAL DIESEL engines. This is required to become an authorized CONTINENTAL DIESEL maintenance organization according to the Service Bulletin "TM TAE 000-0003". Please see also: <http://www.continentaldiesel.com/typo3/index.php?id=2>
